Note: Berkley and San Raphael designs are available with the removable panel option. Multiple panel designs, such as Mission I and Mission II are also available with removable panels. Option price is \$7.00 list per panel, and includes #52 wood retainer molding. Loose panel option available on unfinished doors only.

All plywood panel designs use a 1/4" veneered, composite core panel. All panels except White Birch use a plain sliced face or half round face and rotary back veneer. White Birch uses a rotary face and back. Horizontal grain direction standard unless otherwise noted; vertical grain available upon request.

Minimums listed are based on panel raise shown and will vary by raise; see Offering and Availability for additional options. Framing width listed is determined by measuring across the back of the framing unless otherwise noted.

Size listed under each door represents minimum size for door. Door must exceed minimum listed by at least 3" in either width or height. Panel raise selection has an impact on actual minimum, so minimums shown are guidelines only.

Cottage - all options available except pegs and Camelot Rout. All other designs - all options available except G-121 rout and Camelot Rout. Removable panel option available on unfinished orders only. Walnut pyramid pegs are standard on Cottage door design and optional on Berkley, Mission I, Mission II and San Raphael designs. Pyramid pegs will be installed unless customer requests "ship pegs loose" option. Due to limited access to certain portions of Arts & Crafts doors, there will be areas between the mullions that have some roughness and more stain or glaze residue than typically seen on other Conestoga finished products. Edges of mullions may also show small amounts of sand through. The appearance of these characteristics will not be considered defective. On finished designs that receive pyramid pegs, the Walnut pegs will be finished in natural unless specified unfinished. Note: The Arts & Crafts Collection is not available with Colourone finishing option.
