

## *Framing Beads*

---

**Regular**

3/4" and 1"

**Elite**

3/4" only

**Ogee**

3/4" and 1"

**Square**

3/4" and 1"

***The framing bead is the section of the door that meets the panel. By changing the framing bead on your door, you can dramatically change the look of the door without adding any extra cost. Be mindful that some doors have a framing bead that is 'design specific' and cannot be changed.***

***As a design note, when choosing a glazed finish, consider a detailed bead such as the Elite or Ogee so that your glaze has some nooks and crannies to 'hang' in.***
